

RESEARCH PROPOSAL APPROVAL FORM

Print student's name

Student signature

Major: Click or tap here to enter text.

Please email your research proposal to each of your committee members or arrange a time to present your proposal to your committee members in person. Faculty signatures indicate committee members have reviewed your proposal and approve of its content.

This form should be completed prior to any research Final Exam/Defense. See the Graduate Handbook for more information on proposal details, timelines, and requirements for the exam or presentation.

Proposal Title: Click or tap here to enter text.
